## MEASUREMENT INDICATIONS

**Chest circumference (cm)**  
*measure around the fullest part of your chest*

**Waist circumference (cm)**  
*measure around the smallest area of your waist*

**Hips circumference (cm)**  
*Measure around the fullest part of your hips*

### How to take your measurements ?

You can take your measurements yourself, but make sure not to wrap the tape too tightly around your body. If you hesitate between two sizes, choose the larger one.
